The meeting began with the Pledge of Allegiance to the Flag.

A public hearing was held for a multi family dwelling to be built on Beech Street. The mayor opened up the floor for discussion and only had one against the building of the duplex, Mrs. Elaine Priddy. She expressed concern of the type of the people that you would get as renters. No other complaints were expressed so H.E. Lewis would be allow to build this duplex on a motion by J. Tolley, 2nd by K. Childers and carried.

Mayor Clendenin paused the meeting to allow Tally Sargent to speak to the group. She came by after having a "meet the candidate" meeting in the municipal building earlier.

The liability forecast was approved for payment with Sprint bill being only ½ half of the total invoice and Core & Main being taken off the bill since it belongs to sewer on a motion by K. Childers, 2nd by J. McLane and carried.

Report From Standing Committees/The health committee is currently working on the fire cracker ordinance and will hand off to the police committee once it is ready. Probably a couple of months away. Next meeting will be Aug..27th at 6:00 PM.
The next history committee meeting will be 8/7th at 6:30 PM.

Sewer & Storm Water Board/ -0-
Next meeting will be Aug. 9th at 7:00 PM.

Parks/The council is in agreement that additional clean up is needed from the recent fair. The pool will Be open until Aug. 12th for this season and we hope that the pump will last that long. Next meeting will Be 8/6th at 7:00 PM.

Streets/Travis Nikon, with Glen Jeffries, looked at the sink hole and it will be taken care of. Next meeting will be Aug. 9th at 6:00 PM.

Police/ Report from the 7/30 meeting was reported by K. Childers. The need for the new dispatch system was discussed and all agreed that the police department needs it since the county is going in that direction. We will address this matter when the time comes and hope we financially can handle this system. Next meeting will be 8/27 at 7:00 PM.

Report From Officers of the Town/

The town is looking much better financially and a report was handed to the council and citizens. The mayor reported that Stewart Frazier with Appalachian Software held a training session on how the System works and everyone who attended is much better informed. He did away with all the park specifics and left only parks, and pool. Much easier to read.
