

Town of Eleanor
Accounting Software Work Session
Friday, July 5, 2019 @ 6:00pm

The Eleanor Town Council will meet with Appalachian Software representatives in the town hall's conference room to discuss the accounting software used by the town. Information will be presented by the software representative on the program that the town uses, and they will also discuss different services that can be provided. A recap of this work session will be presented at the council meeting.
