#### Standing Committees/

Police Committee/Chief Wingo: There was no meeting this past month with no pressing matters. Larry Wingo met with Bruce McGrew about placing a policeman in Eleanor for the three schools. Basically they want someone to work as needed with school being out right now. Larry says that it would be hard to find anyone to work this schedule. We will table this until sometime next week. The gentleman on the hill that started his foundation without a building permit was fined. The contractor paid \$500.00 to continue the construction. From now on anyone starting construction Or maintenance before getting a permit may be fined between \$500.00 & \$5000,00. The building inspector caught the new business in the old Comcast building upgrading the loading dock without a permit and had a talk with him and he was told to come and get his business license. Larry has been watching speeders on Fir Street and had the maintenance men put a speed limit sign at Ivywood & Fir Streets.

The dog that has been running loose was identified as Bennetts dog on Ivywood Street. He was watching the dog for his brother while he was sick and the brother died leaving the dog with him. He has a fenced yard but the dog gets out every day. He will try his best to keep the dog in the fence. Council was in agreement to move forward with the cameras in park.

Putnam County Grant is due tomorrow. We may apply to upgrade light poles & lights in park.

Report form Officers of the Town/No new updates to the WV Governors Safer at Home Exe. Order. We received \$18,785.37 from the CARES ACT GRANT and will submit our final bill in December. Wreaths Across America is Dec. 19<sup>th</sup>, at noon. Larry Wilphong will play taps.
