Storm Water Board
October 14, 2021 Meeting Minutes

Meeting Start Time: 7:30pm

Meeting Location: Town Hall Conference Room

Members Present: Cam Clendenin, Joey Tolley, Jack McLane, Steve McLane & Tom Sheridan.

Members Absent: N/A

Visitors Present: Randy Bordenette, Joe Patton

Motions, resolutions, ordinances and measures:

-The minutes from the previous meeting were approved on a motion by Tom, 2nd Jack and carried.

Other/Miscellaneous discussions that are not required to be a part of the official minutes, but the governing body choose to include with the minutes:

-The board reviewed the YTD revenues and expenses.
-The board discussed the latest on the Marble Drive project. The contractor dug deeper into the creek banks than was originally expected. A plan will need to be put together to fix this issue. Members of the board will plan on meeting soon at the creek to see the issue in person and then discuss what can be done.
-There was a request made during the Marble Drive project to address more creek bank issues up stream as well. The board will look at these too once the new area has been completed.
-The board reviewed the homeowner requests for assistance. There is currently one approved to more forward on after the lawyer returns the information on the temporary easements and then signed off by the property owners. A new request came in from Kapok Street. This was previously addressed and a plan put together by Dunn Engineering was handed off to homeowners. Since nothing was done after that, Tom will check out the issue and we will discuss it again in an upcoming meeting.
-The board also discussed the issue behind Jerry Withrows house by the railroad tracks. They will start again on this issue can gather the information known on where the current storm drains are and what needs to be done next.
