

**Town of Eleanor
Storm Water Board
May 13, 2021 Meeting Minutes**

Meeting Start Time: 8:27pm

Meeting Location: Town Hall Conference Room

Members Present: Cam Clendenin, Joey Tolley, Jack McLane & Tom Sheridan.

Members Absent: Steve McLane

Visitors Present: Robert Allen, Caleb & Megan Sharps, John Wilson

Motions, resolutions, ordinances and measures:

-The minutes from the previous meeting were approved on a motion by Joey, 2nd by Tom and carried.

Other/Miscellaneous discussions that are not required to be a part of the official minutes, but the governing body choose to include with the minutes:

-A question was asked whether our billing system will allow for bills to be emailed instead of printed. Cam was unsure on the capabilities of our system so he will check with Appalachian Software and see if that is an option or not.

-The board discussed the multiple requests over the last few years for drainage improvement to be made in areas that the town does not own or have a right-of-way. Tom brought up the point of the Gum Street Project where this has been done before. There is currently no procedure in place on how the board should address these individual requests. Cam will look will compare what other cities do and create a form the home owners can fill out information to request assistance. This will atleast give the board a way to compare the project cost versus the amount of home owners it will help. This will also help create a way to prioritize these requests based on several factors instead of just doing first come first serve. This will be discussed further at the next meeting.

Meeting End Time: 8:56pm
