Other/Miscellaneous discussions that are not required to be a part of the official minutes, but the governing body choose to include with the minutes:

-The board discussed that it would be best if we could set up a meeting with PSD outside of a meeting so they can answer some questions and we can get more details on additional services or manpower that they can offer. We have several needs right now, including smoke testing and I&I inspections throughout our system. Cam will request that James Evers and Les Adkins schedule a meeting with the board beginning at 5:30pm prior to the next meeting.
